

5th Grade Parents,

We are collecting money for the remainder of this year's 5th grade activities. Last fall, we collected money just for Dillo Quest. This round of money collection will cover a small laundry list of activities, including the cost of last semester's trip to Inner Space Cavern, this semester's trip to the Bob Bullock Museum, as well as our annual trip to Wally's towards the end of the year. The total cost for this round comes to **\$25 per student**.

Payments can be made on the web by using School Cash Online. Just login at the following link:

<https://austinisd.schoolcashonline.com/>

School Cash Online is the preferred method of payment, but we do also accept cash and check payments made out to Hill Elementary.

Once again, we will be offering scholarships, which would cover the \$25 cost, for families that need it. If interested in a scholarship, please email your child's homeroom teacher and they can assist you further.

This has been a wonderful year so far, and we're looking forward to all the fun stuff we have planned for the second semester. Thank you for making your payment in a timely manner to ensure that we can continue to afford these wonderful opportunities for your kids.

Sincerely,

The 5th Grade Team
