

Hello 5th Grade Parents:

This week you will be getting **2** orange flyers coming home in the Wednesday folder. One is a boring old lunch menu but the other is THE EXCITING INFO ABOUT HAUNTED HOUSE!! We know you want to release your inner ghost, ghoul, goblin or scary person! Right? So now is your chance! The 5th grade classes are in charge of the Haunted House and your help is needed to make this the spookiest year ever! Since this is a 5th grade team effort, we need **all hands-on deck** to make this awesome and great for the kids! We can't do it without you!

Please volunteer your time to help on Fri or Sat. Details below:

- * Friday night we need set up crews - Decorators & Builders (**DINNER INCLUDED!!**)
- * Saturday 10am-3pm– Set up crew to get ready to open (10 - 11), and adult and 5th grade and older volunteers to run haunted house!
- * Saturday afternoon 3pm-4:30pm - Cleanup Crew - the more help we have, the faster it will all go. Even if you are not signed up to help (which we'd like for you to do), just drop by on your way out and help us out.

TIMELINE:

Friday, Oct 25 at 2 PM: We need at least 12 volunteers to help clean out the commons (begins at 2pm), construction/set up and more help to decorate (as soon as possible after commons is cleared). The Dillo Dads will construct the maze, but we can always use more help from others! If you have power tools, dust them off and bring them! Dads are encouraged to help with this part. 5th graders and older kids are also welcome, but they must have permission from their parents. No younger kids please.

Saturday, Oct 26 at 10:00 AM – 3:00 PM: Adult volunteers are needed starting at 10 am to assist with last minute details ensuring we are ready to open the spookiness at 11 AM sharp! *Student volunteers for the haunted house **must** have a participant waiver on file (see attached form). Completed forms should be submitted in the box labeled "Waivers" in the 5th grade commons, by the doors. A paper copy of the waiver is coming home in the Wednesday folder too, if that is easier.*

Important Notes - Arrive 10 mins before your shift times to get into costume and makeup. Student shifts are ½ hour, adult shifts are 1 hour. There are plenty of costumed and non-costumed jobs.
