As an IB World School, Murchison is committed to providing all students with a rigorous and balanced curriculum. Therefore, our students are required to take one course from each of the eight subject areas during their enrollment in the IB Middle Years Programme. Additionally, IB World Schools value service in conjunction with learning, so students must complete and document a minimum of 10 hours of community service each year through their weekly advisory class.

Y – Year
S – Semester

Course Assignment Override Agreement	
<p>I, _____, the parent of _____, do understand that the above course assignments were made for my student by professionals at Murchison Middle School with the best academic and social-emotional interests of my student as priorities. These assignments are based on current and past course-alike performance, including formative and summative assessments, depth and breadth of student products, and classroom observations, as well as district Middle of Year (MOY) assessments, and STAAR performance results. Murchison believes that assigning a student to the appropriate course is in the student's best academic and social-emotional interest. I also understand that by overriding this course assignment, I take full responsibility for all outcomes, academic and social-emotional.</p>
