

Classroom Technology Contract

Hill Elementary supporters have worked very hard to get some great technology in to our 5th grade classrooms. It is super important that we treat our devices with respect and that our conduct while using technology is enhancing our learning, not distracting us from learning! Please take time to read over this contract. Sign when you are ready to commit to appropriate use. Violation of these terms will result in loss of technology privileges.

1. Please be sure your hands are clean before getting a device.
2. NO food/drinks should be near our classroom technology at any time.
3. Mobile technology devices, such as iPads, should remain on a desk or table at all times. Students should not carry these devices around without permission.
