How it works:

- Admission is free
- Your fifth grader's team will be assigned to a "pool" with teams from other A.I.S.D. schools ("Pool" info below)
- Teams meet in the waiting area and then attend a 35-minute instructional **Skills Clinic**, hosted by Rec Sports Club volleyball players (Women's Club Team are the 2018 National Champions!)
- Following the Skills Clinic, teams play three 12-minute games paired with different schools. **Score will not be kept** by officials, teams or spectators.
- Following **Game Play** teams will attend a brief **Awards Ceremony** where each student will receive a Participation Ribbon (a great photo opportunity for parents).

Player's belongings:

Students should bring as little as possible to the event - in their excitement they usually forget water bottles, jackets, etc. Please do NOT bring personal volleyballs. All necessary equipment will be provided.

Items for sale:

Concessions will be sold. Please note the closest ATM machine is a block away. Please be clean, respectful and take care of all trash. Report any spills to a REC SPORTS staff member.
